Dear SSM Nagar Maintenance Team and SSM Builders & Promoters,

Greetings!

We wish to bring to your kind attention a heartfelt request from several elderly residents, lady devotees, and members of our community.

Many have expressed the need for a wicket gate (**pedestrian entry**) connecting SSM Nagar Residents' area to the SSM Nagar Residency side, particularly for easier and safer access to the SSM Temple.

We kindly suggest installing a small wicket gate behind the college board/pillar area (similar to the previous access point near B16), with restricted timings for opening and closing in the morning and evening to ensure security and ease of use.

With the upcoming "**Maha Kumbabhishekam**" on July 2nd, and for "**regular temple visits**" thereafter, this access would be extremely helpful for elders and devotees.

We look forward to your favourable consideration of this humble request in the interest of community well-being and spiritual access.

Thank you.

Sincerely,
D. Arunkumar
